• STRONG AND BEARS BAND • OLD DANCE MUSIC FROM NEW ORLEANS •

[WWW.FROGANDHENRY.COM](http://WWW.FROGANDHENRY.COM)

Frog & Henry have been together since forming in New Orleans in 2013 as a loosely configured street-performing group. For the last 6 years they've convened 2 or 3 times every year to play jazz festivals, swing dances, busking festivals, and music festivals across Western Europe and the British Isles. Their repertoire ranges from early jazz, blues and ragtime, to stringband, fiddle-tunes, and early 20th c. American popular music in general. Recently they've explored arrangements from pre-war Dance Bands from England and America.
